PARAPARAUMU BEACH MARKET

Move the mouse over the panorama to move, or change direction.

Rain, hail or shine, products galore can be found at a variety of stalls on Saturday mornings from 9am to 1pm at the [Paraparaumu Beach](#) markets.

This vibrant community market boasts the biggest range of stalls on the [Nature Coast](#). A sea of colourful canopies shelter a smorgasbord of delicious fresh produce and quality goods, including a huge range of fruit and vegetables, breads, meats, hot food, crafts, clothes, furniture and buskers. You can even purchase New Zealand spirit "Old Busman" produced by [Bourbon NZ Ltd](#) in [Levin](#).

The markets are located opposite McLean Park, in the car park area bordered by Marine Parade, McLean Street and Seaview Road. There is plenty of parking in close proximity.

After six years of operating, the market has grown to over 40 stalls, which are constantly growing and changing as more and more locals seek to share their crafts, talents and homegrown produce with the Kapiti community.

If you haven't taken the time lately to wander amongst the many temptations of the Paraparaumu Beach markets, make your way there this weekend – you never know what you may find.

On April the 11th from 9am, to 3pm there will be a special Paraparaumu Beach Easter Market with extra stalls along McLean Street and Marine Parade. Stall sites are available at a low fee or no charge for charities and fundraisers.

Take a look at 'Place Finder' [Nature Coast](#) (Horowhenua / Kapiti Coast).
